# M.S. TO D.N.P.

The Master of Science degree to Doctor of Nursing Practice degree option prepares the advanced practice registered nurse, the nursing administrator, or the nurse educator for a leadership role in the healthcare system. Theoretical content focuses on the development of leadership knowledge, skills, and attitudes. Systems thinking, evidencebased practice, and translational research are emphasized.

Advanced standing may be given for courses usually required for a master's degree in advanced practice, administration, or education. Please see program requirements for more details. All students are required to complete the D.N.P. degree project.

<sup>1</sup> Advanced standing may be given for content covered in a prior M.S. degree. Prior learning is evaluated and an individualized program of study is developed based on this evaluation and length of time since these courses were taken. Prior coursework that partially meets the course outcomes will be augmented by registering for 1 to 6 units of NGRD 660 Integrative Leadership Case Study.

<sup>2</sup> Advanced standing will be given if this specific course was taken as part of the M.S. degree program.

<sup>3</sup> Fulfills service learning requirement
