

PHARMACY – PHARM.D. WITH HEALTH PROFESSIONS EDUCATION– M.S.

The School of Pharmacy will interview pharmacy students who express interest in the M.S. degree in health professions education. An online admission application for the program is required to facilitate enrollment, but the School of Pharmacy grants formal approval.

The deadline for submitting the application is June 1 of each year; decisions will be made by August 1 of each year. Selection will be based on the following criteria for a PY2 start year:

- Preferred G.P.A. of 3.5.
- Two letters of recommendation of School of Pharmacy faculty.
- Approval from the School of Pharmacy dean or academic dean.
