

MEDICINE

The goal of the Department of Medicine is to innovate and provide leadership in:

- Healing.
- Education.
- Discovery.
- Integrated health-care delivery.
- Shaping institutional and public policy.

The Department of Medicine supports the mission of Loma Linda University and Loma Linda University Health.

Vision

- The Department of Medicine seeks to become a greater regional clinical resource.
- The Department of Medicine seeks to foster a spirit of inquiry, expressed in research and teaching. The faculty advances clinical practice and understanding.

Themes

- Renewal.
- Growth.
- Teamwork.
