

OPHTHALMOLOGY

The Department of Ophthalmology is committed to:

1. Providing an academic environment that will foster an in-depth understanding of the specialty of ophthalmology.
2. Providing education for students, residents, and fellows that prepares them for an academic, community, or mission practice.
3. Encouraging and supporting clinical research.
4. Inspiring students and residents to promote preventive ophthalmology.

Chair

Michael E. Rauser

Vice chair

Ernest S. Zane
