RADIOMETRY (RADS)

COURSES

RADS 791. Integrated Clinical Radiology. 2 Units.
Case-based, online, virtual-patient curriculum that is integrated with
the required third-year clerkships. Introduces students to the American
College of Radiology Appropriateness Criteria, as well as to the principles
and applications of medical imaging.

RADS 891. Radiology Elective. 1.5-27 Units.
Offers fourth-year medical students the opportunity to explore various
areas of radiology, including but not limited to angio/interventional
radiology, pediatric radiology, body CT, neuroradiology, and research.
