PSYC 694	Seminar in Advanced Topics in Psychology		
PSYC 795	Directed Clinical Experience		
Psy.D. electives		-	
Ph.D. electives			-
Totals		**16.0**	**13.0**
	Course Title	PsyD	PhD
Research			
PSYC 696	Psy.D. Doctoral Research (1-8)	16.0	
PSYC 697	Ph.D. Doctoral Research (1-4)		51.0
Totals		**16.0**	**51.0**
Overall Totals		**121.0**	**153.0**

	Course Title	PsyD	PhD
Clinical practice			
PSYC 781	Internal Practicum (2) [4]	8.0	8.0
PSYC 782	External Practicum (4) [4]	16.0	16.0
PSYC 798	Pre-Internship (4) [4]	16.0	16.0
PSYC 799B	Internship (10 units per quarter, total 40 units [2000 hours]) [4]	40.0	40.0
Totals		**80.0**	**80.0**

[1] RELE 500- or 600-level courses will also be accepted.

[2] Fulfills service learning requirement.

[3] Students may meet their elective-unit requirement through any of the following: 1) any elective course chosen from this list, 2) any other elective course offered by the Department of Psychology that is not being used to meet another requirement, 3) any graduate-level course offered in any other department in the School of Behavioral Health, or 4) any graduate-level course offered in any school other than the School of Behavioral Health, with department approval.

[4] 700-numbered courses are in addition to the didactic units required for the degree.

[5] Strongly recommended for neuropsychology specialization students.
